CHOICE OF ONE	We recommend using the pre-paid system of putting money into your child's account to help expedite the lunch lines. If your child only buys milk or snacks a few times a week it is much easier to put as little as \$5 into their account instead of fumbling for money on a daily basis. Now available: Secure online prepayment service to deposit \$ into your child's account at any time. This service also provides parents the ability to view their child's lunch account balance and transactions thru a website called: Nutrikids.com To access these services: 1. simply go to the district's website @ www.websterschools.org	2) Click on the Food Services link. 3) Click on the MyNutrikids.com link. From this site you will create your account and add money to your child's school lunch account. All you need is your child's name, Student ID number (NOT their PIN # used for our POS system) & the school ZIP Code--14580. If you have questions or need help with the above please call the Food Service Office at 670-5104 for help. IMPORTANT NOTE: We will also continue to accept cash or checks at the registers.
