

## ENROLLMENT INFORMATION

2019 - 2020

Welcome to Webster Central School District's (WCSD's) before and after school program, WonderCare. Before and after school hours are a very important part of your child's day. WonderCare will ensure that your child participates in a developmentally appropriate and enjoyable program that balances and complements the academic experience.

WonderCare is available to students in grades kindergarten through sixth and will be offered at each of WCSD's seven elementary schools beginning in September 2019. In addition to before and after school programming, WonderCare will provide non-school day programming on half days, superintendent's days, and school breaks (with the exception of summer) for an additional fee. Drop-in care will also be available, for those in need of emergency or flexible care. Online enrollment is required for part-time, full-time, non school days and drop-in care.

WonderCare staff are skilled professionals dedicated to providing high quality programs for children. Each school will have an on-site coordinator who will plan and supervise activities. The coordinator will also meet with WCSD curriculum specialists to provide enrichment from students' daytime learning experiences.
