

In order to meet the expressed needs of some Webster CSD families and make the afternoon program more convenient, WonderCare will now offer a NEW partial afternoon rate. Instead of the typical 6:00 p.m. pickup time for the after school program, parents opting for the partial afternoon rate MUST pick up their children by 4:00 p.m. It is also important to note that there will be a higher late fee for parents who don't pick up their children by 4:00 p.m.
