February 13, 2019

Dear Parent/Guardian,

Webster Central School District is pleased to announce that it will continue to participate in the New York State Universal Pre-Kindergarten (UPK) program for the 2019-2020 school year. This program is completely dependent on NYS grant funding, and therefore, will not be offered if the finalized NYS 2019-2020 budget does not include it.

The district partners with local private preschool agencies as needed to provide a five-day-per-week program for eligible four year olds. This year, UPK classrooms will be located at DoodleBugs! Children's Center, Plank Road North, Klem Road North, Schlegel Road & State Road Elementary Schools.

We are excited about the possibilities this will create for children, teachers, and parents! Each Pre-Kindergarten is designed to prepare children for Kindergarten and is based on the Common Core State Standards learning through a play-based environment.

This UPK opportunity is available at no cost to families who reside within the Webster School District. Children who will be four years old on or before December 1, 2019 are eligible to participate. Children who are age-eligible to attend kindergarten in 2019-2020 (five years old by December 1, 2019) are not eligible to participate in UPK.

****Transportation is not part of the funding, and therefore will have to be provided by the parent.****

There are a limited number of morning and afternoon spaces available. In order to be considered, the District must receive your application by March 13, 2019. If we receive more applications than available slots, we will use a lottery system. While we will attempt to place your child in the first or second choice you selected, we cannot guarantee any one placement. Selected participants will be notified by mail. If your child is not selected, his/her name will be added to a waiting list, and you will be notified should a space become available.

Webster Central School District welcomes all applicants for the UPK program. Please complete the application and return it as soon as possible, but no later than March 13, 2019. We look forward to partnering with you to provide an excellent beginning to your child's Webster school experience.

Sincerely,

Heather Balsamo
UPK Coordinator
