Cc: Board of Education

Date: 1/3/2020

Attached you will find the results of the first phase (Schroeder site work) of the capital project that was approved in December of 2018 by the Webster voters. The bids were opened on Thursday December 19, 2019, at 2:00 pm at the Buildings and Grounds Building #3. Bids were accepted for Site and Electrical contractors. The work incorporated into these contractors are for the following areas:

- Lighting Upgrades at the Aquatic Center***
- Track Renovations -Schroeder***
- Field Upgrades - Schroeder***

After opening the bids the pricing was right in line with what was budgeted for this portion of the project. Due to this, we were able to award the bids for all of the alternates we had hoped for.

The following contractors are deemed to be the lowest responsible bidders:
