Below are instructions on how to register with our NEW software company, EZCare. Please take your time and complete the form fully and accurately. Current WonderCare parents: remember to check your email on (Saturday, April 25 at 8am) for your unique link to register for 2020-21 WonderCare. We believe you will find this very user friendly. Remember, you have until May, 2 at 7:59am to register and be guaranteed a spot. After that, we will be opening it to the rest of the community and your spot will not be guaranteed.

- 1) When you click on the link, you will be brought to the main page. Please review your school's enrollment and the number of open spaces available before continuing to register. If spaces are no longer available, "NONE" will appear. However, you can continue by adding your child(ren)'s name to the waitlist.
- 2) Next, enter YOUR information, along with Emergency Contact/Authorized Pick Ups. You need to enter at least 2 names. You will be able to add more names AFTER registration, at a later time. Once this page is complete, please check "ADD CHILD".
- 3) Next, add all your child's information, including allergies or special notes. Select "next". Choose the school your child attends, and your before and/or after child care needs.
- 4) Select the (2-5) days you need child care; we do not offer a single day option. **Please be sure to check the pick-up-by time you need.** Note: you MUST select the same pick up time per day. (i.e. You cannot combine 4 p.m. pick up on M/W/F with 6 p.m. pick up on T/TH). You may now "Confirm Your Registration" or "Add Another Child".
- 5) Once you confirm, you are brought to the payment page. You may choose a bank account/checking account or a credit card. WonderCare's method for receipt of monthly payment is auto draft. To enroll in auto draft, select the box:
