

Webster Central School District Board of Education

Agreement Regarding Communication

The Webster Central School District Board of Education Members agree that:

- They will act and make decisions only as a seven member Board.
- The Board President is the spokesperson for the board.
- Awareness of public and human relations is critical.
- Board members will help one another and constituents follow appropriate processes.
- Issues and concerns will be shared with the Board president/Superintendent, and individual Board members as appropriate, in a timely fashion.
- It is essential to recognize that others (the community) see board members as always wearing the “Board hat.”
- Board members will be courteous listeners at meetings/functions.
- Board members will respect executive session confidentiality.
