

Webster Central School District Board of Education Agreement Regarding Communication

The Webster Central School District Board of Education members agree that:

- We will act and make decisions not as a collection of seven individuals, but only as a unit comprised of its members.
- The Board President is the official spokesperson for the Board.
- Board members will help one another and constituents as they navigate the protocols and processes for communication with District administrators and staff.
- Issues and concerns will be shared with the Board President/Superintendent, and individual Board members as appropriate, in a timely fashion.
- It is essential to be aware that others (the community) always see you as a board member.
- Board members will be courteous listeners and model the civility we expect for others at meetings/functions.
- We will communicate at Board meetings /functions by respectfully sharing ideas and perspectives.
- Board members will respect executive session confidentiality.
